SOCIAL SECURITY - # _____ - _____ - _____

List camps (if any) that you have attended in the past three years as a camper or as a leader, including Mtka Band Camp.

What are some of your memorable experiences at camp (or any camp if you didn't attend a Mtka Band camp)?

What do you see as your special talents/traits/experiences that you can bring to others at a camp (remember it's OK to speak well of yourself, you're not bragging)?

Elaborate on how you see yourself contributing specifically to the MTKA Band Camp. Which positions are you interested in? Please include music background/experience.

Please include one brief letter of recommendation from someone who has observed your work with youth (other than one of the Mtka band staff).

Selection of employees for camp is made by consensus of all the Mtka District instrumental staff going to Camp. Upon selection, hiring is not final until the school district paperwork for employees (including personal background check) is complete, turned in and reviewed.

Applicant's Signature - _____
