

# SUPPORT MINNETONKA BANDS!

## BAND is ESSENTIAL

Musical education is essential to the growth and well-being of children and young adults. It has been shown that:

- Children and teens who are involved in music have expanded vocabularies, have lower rates of drug and alcohol use and have higher graduation rates.
- It is essential for music programs to secure alternative sources of funding to support a high level of student performance and underfunded equipment costs.

## BAND at MINNETONKA

- Minnetonka High School has 4 curricular bands. Extra-curricular band opportunities include: marching band, pep band, jazz ensembles, small group ensembles and pit orchestra for the Minnetonka Theater.
- The Jazz Program has been recognized as a Program of Excellence at both state and national levels. Awards include: Outstanding Jazz Group and Outstanding Soloist for several performers.
- The Minnetonka Marching Band placed 1st in all six of their competitions and were awarded AA State Champions at the Youth in Music Championship at the US Bank Stadium.
- The Wind Ensemble and over 30 students received a Superior rating at the MSHSL Large group and Solo and Ensemble Contests. The Hennepin Theater Trust again awarded the Pit Orchestra a Spotlight award for outstanding performance.
