

## MHS Music Department Greenery Sale Fundraiser

The Minnetonka Music Programs are proud to sponsor the Greenery Sale again this year. All wreaths, garlands, and swags are of the highest quality and are made of fresh balsam fir, cedar, or pine by North Country Wreaths in Duluth. All wreaths, swags, and arches come with red velvet bows and ponderosa pine cones with red holly berries. Garland is undecorated.

### WHY PARTICIPATE?

- The profit from the sales you make (approximately 50% of sales) can be used toward future costs of travel/study experiences. Even if there is not a travel/study this year, funds can be applied toward future years.

### POINTS TO REMEMBER:

- Approach neighbors and friends early before they purchase from other groups! Inform them that the fundraiser supports travel study opportunities for band, orchestra, and choir students at MHS.
- Inform your customers that their orders will arrive the weekend before Thanksgiving and that you will deliver them to their door.
- Please be certain to fill in the order form with your name, email contact and phone contact information.
- You must collect **full payment** at the time of the order. The purchase price includes sales tax. Payment can be made by cash or check to **your respective group**. (as indicated on the order form.)
- If you contact people by email or phone you must collect payment from them before you submit your order, or submit payment for them at the time orders are due.
- All orders are due by **Wednesday October 25**, and must include full payment. Order forms and checks/cash should be tallied and placed in a sealed envelope labeled with your name, and turned in to your band, orchestra, or choir teacher no later than Wednesday, October 25.
- **You must pick up your orders on Friday, November 17 from 5:00 to 7:00 PM OR on Saturday, November 18 from 9:00 Am to 1:00 PM.** Pick up is at the loading dock at MHS (across from the football stadium entrance).
- Remember to thank your customers for supporting the MHS Band, Choir, and Orchestra.
